

A Note from School

Just a quick reminder about the Y6 visit this Friday from UWS.

This year's Endangered Species Day will be extra special as it will be run on the same day as the fundraising event 'Wear it Wild' and therefore would request students to attend in wildlife-inspired fancy dress.

Wear it Wild is WWF's annual fundraising event which takes place on Friday 20th October. In workplaces, schools and homes up and down the land, people will be donning wildlife-inspired fancy dress - and raising money to save incredible wildlife at the same time. Since 1970, populations of wild species have fallen by half. Without the tireless efforts of conservation organisations like WWF, iconic species like tigers, elephants and rhinos could become extinct in our lifetimes.

We are asking for a voluntary donation of £1 per student to go towards this great cause. There will also be a cake sale, which students may wish to bring some extra money for.

Also on Friday Class One will be going to Skipton Fire Station along with Burnsall School. The children will be transported by mini bus and they will be back in time for school lunch.

Finally: We have children in school who have head lice. Please can all parents check their children for head lice and treat appropriately. Thank you.

Thank You!

The school council would like to thank friends for providing the money for our new iPads. Everyone is so excited about using them.

Diary Dates

- 30.10.17 School re-opens—Autumn term 2
- 3.11.17 OPEN DAY at Kettlewell 8.30-11.30 am
- Friends Meeting 3.15 at school
- 6.11.17 Blue Bags will be delivered to school
- 10.11.17 Poppy making workshop for remembrance
- Sunday
- 12.11.17 Remembrance service in Kettlewell—Pupils to present their handmade wreath—details to follow
- 13.11.17 Children in Need week
- 21.11.17 Blue Bags collected from school
- Y5 & 6 Basketball at UWS 4-5.30 pm
- 2.12.17 Kettlewell Village Christmas Party

- 20.12.17 Kettlewell village live nativity around the village
- 6.12.17 **OPEN DAY** at Kettlewell 8.30-11.30 am
- School trip to Panto in Harrogate 2 pm performance

A Note from The Friends

Our Aviva application has been accepted, so when

The voting process opens please get voting.

More details next week. If anyone comes across

any other fund or grant opportunities,

please let one of the committee know

A Note from Class One

In Literacy we were writing a story about a magical bird. We created storymaps then planned our stories before we wrote them out. Jack and James worked really hard on their stories and I was really impressed with how the Year One's worked independently and wrote some good stories.

This week in Class One we have been looking at reflective light in our Science. We had to test lots of different materials to see if the light would reflect. We remembered the words transparent and opaque as well when we testing. Have a look in our science big book during parents evening.

In Maths we have continued to learn about 2D shapes. This week we have been using a venn diagram to sort the shapes in different ways. Katie was really good at explaining to the younger children how a venn diagram works.

Next week Class One are looking at the signs of Autumn and will be spending time outside. Please can your child bring wellies to stay in school all week and make sure they have a suitable coat.

Next week Class One will be having their spelling test on Thursday, as we are on a trip to the fire station on Friday morning.

THANK YOU!!!!!!!
