Friday 22nd  
December

## A Note from Mrs Morton Lee

The children have all shone these past couple of weeks with their individual Nativities and church services, where they spoke clearly and with confidence and at the 'Big Sing' where their voices filled the Town Hall. I was very proud of them, as I'm sure you were of your child.

The children are extremely tired and are ready for a fun filled Christmas break. They have a good long time after Christmas to recover as they return to school on Tuesday 9th January. all that I need to do now is to wish you merry Christmas and a healthy and happy new year.

## A Note from School

We thought you might enjoy some photos from our Christmas celebrations. Thank you very much to the friends of Kettlewell School for providing the party snacks and drinks, they were very well received.

We raised a massive £37 on Christmas jumper day, the proceeds will be sent to Save the Children, thank you so much.

A massive 'very well done' to all the children for their amazing performance at The Big Sing, you were brilliant. A special mention must go to Edward Thornton who absolutely stole the show as Angel Gabrielle, you were a real pro!

A message for all the accordion players; Harry is so taken aback with your skills he has agreed to continue to come into school after the Christmas break and up to the end of half term.
