

## A Note from Class One

This week Class One have visited Bolling Hall in Bradford. We attended a workshop all about 'The Great Fire of London' with our friends from Burnsall School. We were asked a lot of questions and the guide thought our knowledge was brilliant. As always the children were extremely well behaved and an absolute pleasure to take out. We were lucky enough to have used the Packhorse bus and Mrs Simpson did a brilliant job of driving us all the way to Bradford. We did encounter a few "Are we nearly there yet's ?" but we had a brilliant day. Here are a few photos.
