Character profiles – who lives behind the door?
Settings – town and country
Role play
Letters and sounds Phase 3, 5 and 6

Numeracy

Estimating number of beans and counting
Finding totals of money to buy beans
Measures – weight, how heavy are the money sacks?
Position and direction, left and right, turns
Know the seasons of the year
Know the months of the year
Addition and subtraction
Real life word problems
Flower patterns to continue and to spot the mistake
Describing how to solve problems
Counting in steps of 2, 3, 5 and 10
Doubling and halving
Fractions

Science

Conditions needed for seeds to grow
Investigating what a seed needs to be able to grow – predicting and explaining
Fair test
Plants in the local environment –
Variety of plants
Sorting plants by observable differences and similarities
Different habitats plants live in
Artificial/real flowers – difference?
Naming trees and plants

Art/DT

Moving picture using pivot – Jack climbing the beanstalk
Design and create a garden for the fairies
Colour real flowers using coloured water
Build a fairy house.
Building bug houses.

ICT

Digital microscope – beans, flowers, leaves, fairies
2simple2animate – plant growth animation
Saving and retrieving work
Combining text and graphics

Geography/History

Identify hot and cold places and the different plants found there.
Kitchen gardens.
How have gardens changed.

PSHE & SEAL

Caring for plants
Caring for the countryside
Changes

PE

Games
Dance

Music

Exploring timbre, tempo and dynamics
Words describing sounds
Sounds from different sources
Organising sounds within simple structures
To create a class composition
Using music to describe an environment

RE

Creation
Living in harmony: How do we show we care
